

**Name, Year & Program:** (4<sup>th</sup> year MATH, for example)

**E-Mails & Phone:**

**Matlab Access:** (lab or home)

**Quantitative Courses:** (give math texts & term taken)

advanced calculus

linear algebra

ODEs & PDEs

courses with computing

other quantitative courses

**Computing Experience:** (software, programming languages, etc)

**Numerical Analysis I:** (what was most relevant/enjoyable for you?)

**Personal Course Objective:** (what would you like from this class?)
