

**NAME & Places:** (hometowns, etc)

**Year & Program:** (4<sup>th</sup> year MATH, for example)

**E-Mail & Local Phone (opt):**

**Quantitative Courses:** (term taken & text)

calculus & advanced calculus

linear algebra & analysis

classes with ODEs & PDEs

courses with computing

quantitative science courses

**Matlab & Maple – Experience:** (yes/no)

**Matlab & Maple – Access:** (lab and/or home)

**Other Computing Experience:** (software, programming languages, web design)

**Subjects of Interest:** (specific maths, sciences, etc)

**Course Focus:** rank in order of priority (1 = most, 3 = least)

[ ] analysis/theory    [ ] applied modelling    [ ] computing & graphics

**Personal Course Objective:** goals for this class & future plans
