

# Frank P. Ramsey: The Theory, the Myth, and the Mirror

What is Ramsey Theory? Who was Ramsey? What is the mathematical community's perception of the theory's namesake? How much is known about Ramsey's life?

Presented by Dr. Veselin Jungic

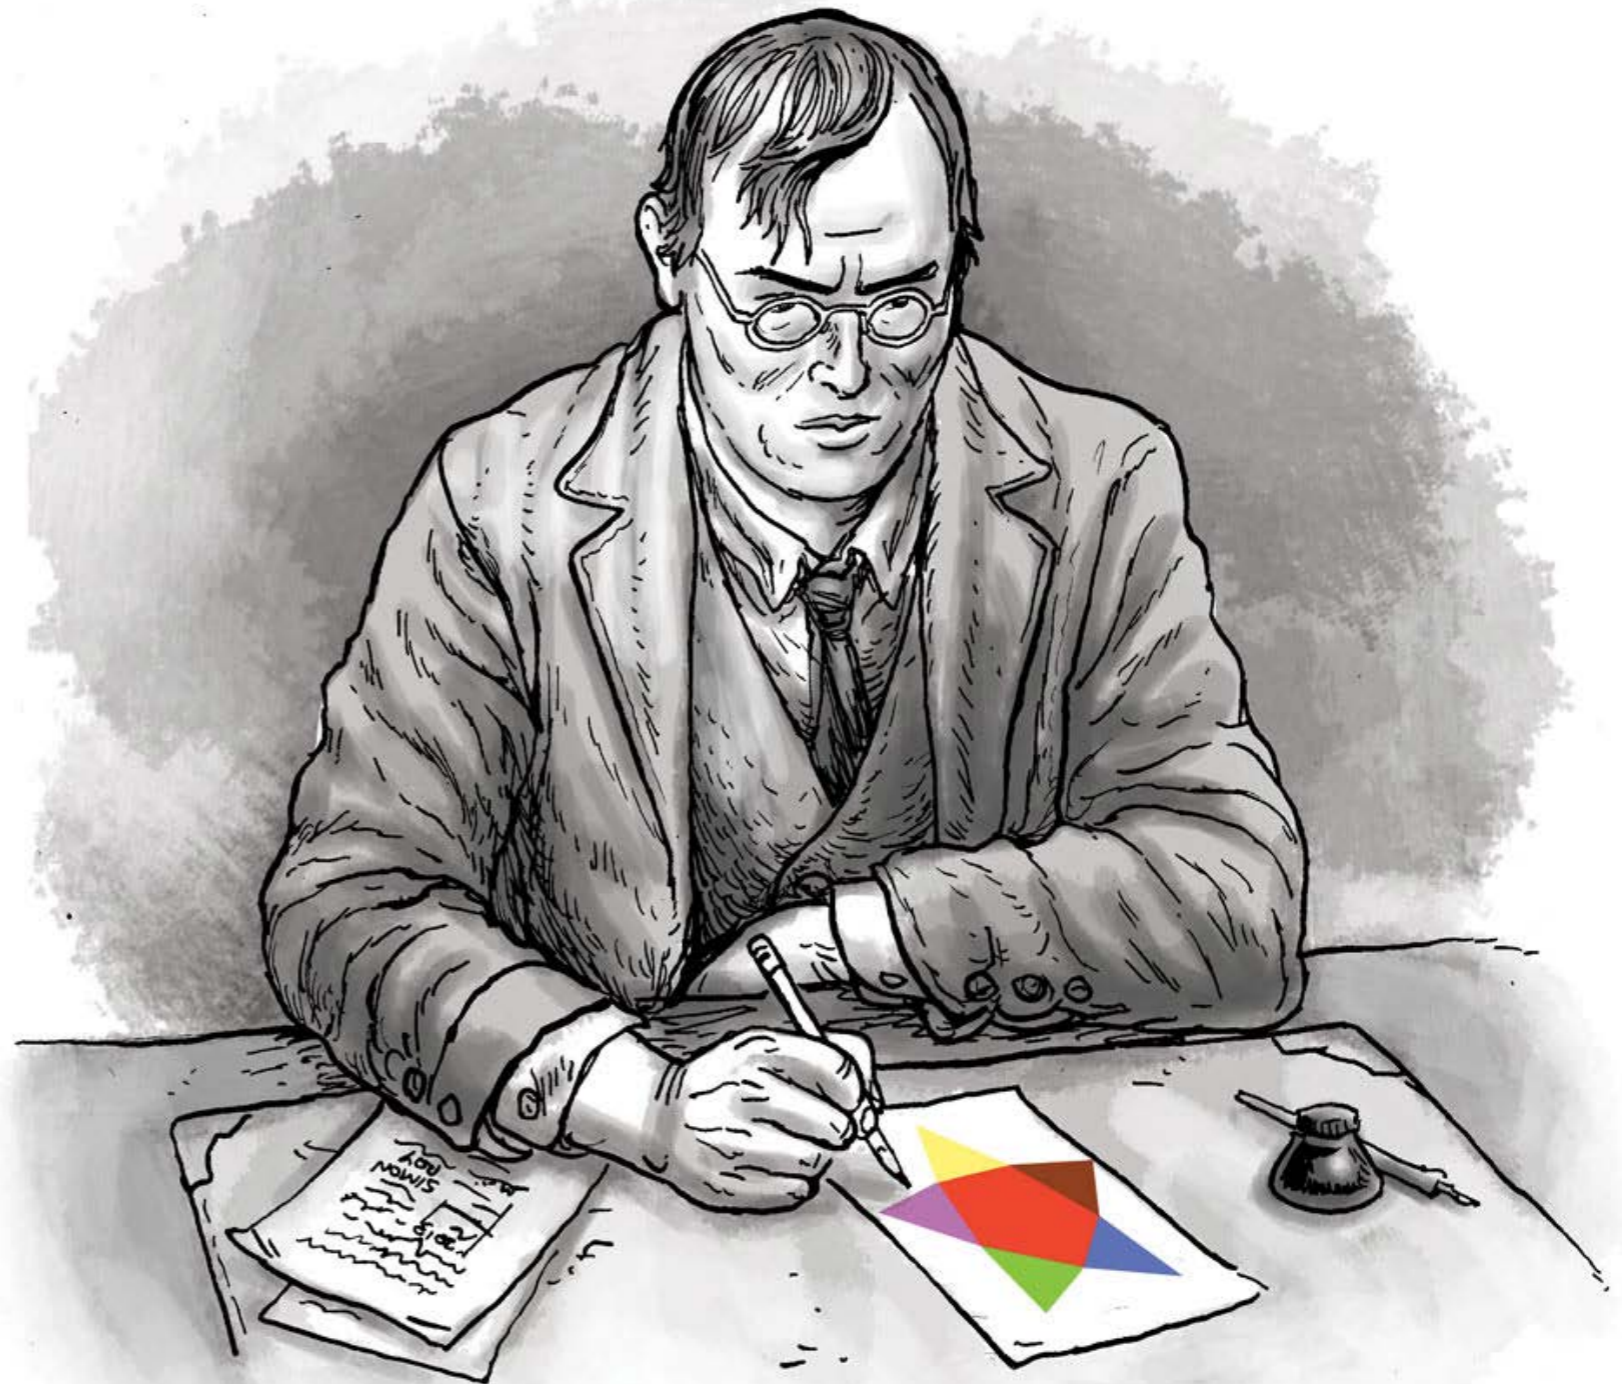

## *Math Outside the Box*

This is an informal talk and demo series for first and second year students curious about mathematics

Meet other students interested in math

Enjoy snacks with Math faculty in an informal setting

**Monday, October 26,  
3:30 - 4:20, IRMACS  
Theatre (ASB 10900)**

*"The stars may be large, but they cannot think or love; and these are qualities which impress me far more than size does."*

- Frank P. Ramsey
